Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 13 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
South, east mainly dry on Sunday, rain reaching northwest.

This Evening and Tonight:
Rain and drizzle will nudge into the Hebrides and west coast, and some eastern coasts will be cloudy. Dry with clear spells across much of the mainland with mist and fog patches, and some grass frost.

Sunday:
Mainly cloudy with the best of the brightness around the Moray Firth and eastern Borders. Patchy rain and drizzle around western coast, the rain turning heavier across the northwest later.

Outlook for Monday to Wednesday:
Overnight rain clearing east early Monday, then dry with some sunshine. Windy with occasional rain or showers on Tuesday and Wednesday, brightest in the east.
